Dear Mrs Elliott:

Please pardon my delay in answering your letter, but I have been in bed with my bad back, and pretty busy in addition with the baseball.

I am enclosing the check for the ammoun you stated due for the rooms you kept for the team. I want to thank you for your cooperation, and tell you we will be there the 26th. Should arrive about 12 PM, if we play the game. There will be 20 men I think. Anyway prepare for that number.

Again thanking you for your assistance.

Very Truly Yours
